Christina Hebert, Deputy Clerk

Hello Christina and Laura,

Following up on our meeting this week we have done some work to assist in moving your grant forward with LAF. We have prepared 25 membership packages and 100 lunch vouchers, see attached sample for your final report. I will bundle these and send to your office with the corresponding invoices. I will also work on preparing the day passes.

The \$150 membership does not include lunches. Members and guests pay if they choose to eat here so offering a couple lunch vouchers with each of the memberships might work well. We offer 1 week free passes, which I will include for you as well. Once the free week has expired a membership or day pass needs to be purchased.

I've also looked at our forward planner and prepared a list of potential bus trips for you to review with your SAC. I've gone over budget however they can pick and choose what interests them the most. Some of the Fall times/dates are tentative however they will be confirmed by mid August.

Thank you again for reaching out to LAF and partnering to provide programming to the seniors of Tecumseh. Have a great weekend. Joyce
