École secondaire catholique l'Essor Re: Vision'Art

The Manager Committee & Community Services extends regrets on behalf of the École secondaire catholique l'Essor representatives who were not able to attend tonight's meeting.

An overview of the Vision'Art event is provided. The event will be held at l'Essor on October 3 – 5, 2017. The province-wide visual arts event provides an opportunity for students to participate in daily field trips showcasing Essex County and nightly workshops, conducted by a diverse group of twenty-one (21) local artists.

The Members view the event website [visionart.cscprovidence.ca](http://visionart.cscprovidence.ca), highlighting the workshops and schedule of events.

The Bravo-Sud Exhibit will also be on display at l'Essor during the three-day event. The exhibit is open to the public during school hours and the Members are encouraged to attend.

The students will also be creating a local timeline depicting the history of the French heritage in the area and unveiling the timeline at the closing ceremonies on Thursday, October 5 at 7:30 pm. An invitation to the closing ceremonies is extended to the Committee.

l'Essor is also looking for assistance with set up on Monday, October 2. The Members are asked to advise should they be available to volunteer.

This unique event in support of the Arts in education is an opportunity for the Town to have a presence during the festival. It is suggested that Town paraphernalia, such as Town pins for the students, and Town shirts and hats for the artists be provided.

Discussion ensues respecting sponsorship of a meal for those students and chaperons who will be staying overnight at the school.

Motion: (HC-22/17) Moved by Member Chris Carpenter  
Seconded by Member Dwayne Ellis

**That** the Heritage Committee sponsor \$400.00 towards the cost of a pizza dinner for the students and chaperons staying at the school during the Vision'Art event.

## **UNFINISHED BUSINESS**

### **Heritage Property Listing**

The Members advise they are continuing to conduct research on their respective properties.

Further to the suggestion at the last meeting respecting the designation of St. Anne's Church, the Manager Committee & Community Services reviews the information located in past minutes and records. The property was delegated to a previous Heritage Committee Member to research in 2007. As at July 13, 2009, the Heritage Committee Unfinished Business Listing indicated research was still in progress.

Vice Chair Ian Froese will review the Tecumseh Area Historical Society's records on the property and bring same to the next meeting.

Administration is asked to contact Cheryl Hardcastle, MP Windsor-Tecumseh's Office to inquire if available to conduct a walkthrough of St. Anne's Church given her knowledge and research on the subject property.

### **Tecumseh Historical Facts**

Vice Chair Ian Froese advises the Tecumseh Area Historical Society can assist in compiling 'fun facts' to share on the Town's social media [Facebook and Twitter] as it relates to Tecumseh historical facts.

The Town's CAO Intern may also be available to assist with this project.

(HC 8-8)

## **NEW BUSINESS**

### **2018 Budget Planning**

The 2017 Budget is reviewed and discussion ensues respecting planning for the 2018 Budget and anticipated initiatives. The Committee anticipates finalizing the Heritage Property Listing by the end of the year and identifying priority properties for exploring heritage designation.

The approximate costs incurred during the heritage designation process for a property is discussed. The Members concur it would be ideal to pursue designation of more than one property in 2018.

Motion: (HC-24/17) Moved by Member Dwayne Ellis  
Seconded by Councillor Brian Houston

**That** the Heritage Committee requests consideration be given to carrying forward the remaining 2017 Budget allocation, in the amount of approximately \$1,500, for use in pursuing heritage property designations in 2018.

Carried

### **Lakewood Park Storyboard**

Councillor Rita Ossington provides an update respecting the status of the Lakewood Park Storyboard. The details for the storyboard are currently in the works. She explains the statement of designation process that would follow once the storyboard is complete.

### **Call for Committee Applications**

The Members are reminded applications are being received from residents interested in serving on Committees [Committee of Adjustment, Cultural & Arts Advisory, Heritage, Youth Advisory, Senior Advisory, Tecumseh Accessibility Advisory (TAAC)].

Nominations are also being accepted for the Dr. Henri Breault Community Excellence Award, the Donald “Donny” Massender Memorial Volunteer Award and the Ontario Senior of the Year Award.

The deadline for submission is October 31, 2017.

The Members are encouraged to share the information with persons who may be interested.

(HC 8-9)

### **NEXT MEETING**

The next meeting of the Heritage Committee will be held on Monday, October 16, 2017, at 6:00 pm.

(HC 8-10)

### **ADJOURNMENT**

Motion: (HC-25/17) Moved by Member Chris Carpenter

## Heritage Day 2018

### Celebrate Heritage Week February 19-25, 2018!

During the week of February 19, 2018, the National Trust for Canada encourages Canadians to celebrate Heritage Day 2018 and its theme: *Heritage Stands the Test of Time*.

There is so much to celebrate:

- Our collective history is told in our languages and our music, in photographs, maps and documents, in regalia, objects and traditions – so many treasures passed down through history to the present day. Learn more about the tangible and intangible heritage of Canada's Indigenous peoples, of the many cultures that came after, and of our new Canadians. Visit museums, historic sites and cultural centres that help preserve and share this heritage for posterity.
- Our special places endure as physical records of the people and events that shape our past and our future: Our heritage buildings were built to last! Often made of materials that are durable and environmentally friendly, their re-use, re-purposing and renewal results in less construction and demolition waste than new construction. And our cultural landscapes bear the imprint of generations of Canadians.
- Our stories endure! Some have been retold for thousands of years. Our traditional knowledge keepers, educators, parents and grandparents have stories to share that help us understand the past.

In celebration of our past and our future, *Heritage Stands the Test of Time* is designed to inspire Canadians to embrace, explore and enjoy our enduring heritage.
