Subject: West Branch of the East Branch Delisle Drain - Notice of Consideration Meeting

Dear Sam and Laura:

Re: West Branch of the East Branch Delisle Drain

This office acknowledges receipt of the Notice of Consideration Meeting scheduled for January 14, 2020 to consider the Engineer's Report for the West Branch of the East Branch Delisle Drain. Unfortunately, we are unable to attend this meeting.

This office has received a copy of the Drainage Report prepared by Rood Engineering Inc. Project No. REI2019D010 for works to the West Branch of the East Branch Delisle Drain. We have reviewed this information and find it acceptable. We will need an ERCA application for permit form and application fee of \$150.00 for this project to proceed. Please forward this information and/or alternative direction at your earliest convenience.

If further information or clarification is required, please do not hesitate to contact this office.

Yours truly,

Cynthia Casagrande
