**Subject:** Save the Date! 2020 Essex Region Conservation Golf Tournament

The poster features a brown header with the text "32<sup>nd</sup> ANNUAL Golf Tournament Fundraiser" and the Essex Region Conservation Foundation logo. Below the header is a photograph of a large wooden building with a glass facade, surrounded by trees and silhouettes of people. A green flag on a golf course is on the left. Text on the left side of the photo states "100% of proceeds go towards the new John R Park Homestead Heritage Centre!". The bottom section is a light yellow box containing details about the tournament, including what each golfer receives, the date and time, the location, and registration information.

We are very excited to announce that registration is now open for our 32<sup>nd</sup> Annual Essex Region Conservation Foundation Fundraising Golf Tournament. This year, we hope to raise more than \$35,000 to help ensure that Windsor-Essex County and Pelee Island remain the **Place for Life**.

**Date:** Thursday, July 16, 12:30pm - shotgun start.

**Location:** Kingsville Golf & Country Club

Our 2020 tournament will have an exciting focus, with all proceeds raised going towards the John R. Park Homestead Heritage Centre, due to be open to the public by December of 2020. Located on the grounds of the John R. Park Homestead, the Heritage Centre will feature a state of the art educational and exhibit space with an enhanced visitor area, creating a truly unique tourism hub and visitor experience for the region. More information, including a virtual walkthrough video is available at <https://www.canadahelps.org/en/charities/essex-region-conservation-foundation/campaign/john-r-park-heritage-centre/>.

Thanks to your past support, many conservation successes have been achieved. We hope you will again join us for a great day of golf in Kingsville!

Registration is available online, at <https://essexregionconservation.ca/golf>.

Looking forward to your participation!

Sincerely,
