Re: Noise Exemption Request  
County Road 22 From Manning Road to City of Windsor

---

Dear Ms. Moy,

The County of Essex is planning to improve the Pavement Condition of County Road 22 within the Town of Tecumseh. The works are expected to require approximately 3 weeks between May 2020 and July 2020. Once we receive a schedule from our Contractor, we will provide more details.

To expedite the improvements and minimize traffic delays, the successful bidder will need to work during the early morning hours and late-night hours.

This memo serves to request an exemption to the noise bylaw for the purpose of supporting construction activities and the operation of heavy construction equipment. The duration of the noise bylaw exemption is from May 1<sup>st</sup> to July 31<sup>st</sup>, 2020.

The proposed construction activities at the site **do not** require:

- Driving piles
- Demolition hammers
- Batch plant for material production
- Material crushing plant

If you require additional information, please do not hesitate to contact Mr. Peter Bziuk, Manager Design and Construction Services at [pbziuk@countyofessex.ca](mailto:pbziuk@countyofessex.ca).

Regards,

Jane Mustac, P. Eng.  
Director of Infrastructure Services – County Engineer

Cc: Peter Bziuk, P. Eng., M.A. Sc. - Manager of Design & Construction Services
