Based on our review of the tender submissions, a mathematical error was made in the tender of J & J Lepera Infrastructures Inc. In the tender of Major Construction (2010) Ltd., the Tenderer did not insert a total amount for Item No. 48 a) in the Form of Tender. In the tender of Amico Infrastructures Inc., the Tenderer received all addendums but was not acknowledged on Page 1 of the Form of Tender. The Total Tender Price as shown above does not change the original standings of the Tenderers.

There were no other irregularities identified in the tenders received for this work.

All Tenderers submitted the required \$150,000.00 Bid Bond which you have retained. All Tenderers acknowledged receipt of the Addendum Nos. 1, 2 and 3.

We have confirmed with Jim Truant of D'Amore Construction (2000) Ltd. that D'Amore Construction (2000) Ltd. is prepared to proceed with this project in accordance with the Contract Documents and their tender submission.

Based on their lowest tender submission, we recommend that the tender be awarded to D'Amore Construction (2000) Ltd. for the Total Tender Price of \$1,478,595.00 (excluding applicable taxes).

Subject to Council's approval of our recommendation, we will prepare the necessary agreements for signing.

Yours sincerely,

**DILLON CONSULTING LIMITED**
