**H. OPP Monthly Report**

Inspector Glenn Miller provided a summary of the OPP Report for the months of December 2019 and January 2020. Inspector Miller explained that a new process for 911 calls has been instituted by the OPP, in which 911 calls are 'triaged' at the OPP communications centre before being dispatched for service. This change is expected to result in a major reduction in the number of 911 Misdials, as evidenced by the decline in the January 2020 statistic.

Staff Sgt. Jamie Smith reported that the two new teams (Mobile Crisis Rapid Response Team and Youth Crisis Response Team) funded under the Community Safety and Policing Grant have been formed in early March and should be responding to calls by early April. The teams will be based out of the Lakeshore detachment building. Participation of clinicians in responding to crisis calls is expected to free up officers as well as lowering hospital wait times.

In relation to the RIDE program, Deputy Mayor Bachetti noted that no there was no longer a need for RIDE programs at the annual Corn Festival, now an alcohol-free event. They would be recommended for the Taste of Tecumseh event.

Mayor McNamara mentioned the concerns expressed on speeding and traffic enforcement during the 2019 Citizen Satisfaction Survey, and that Town Council would like to see a concerted effort to address these issues in the community. He also noted the change in the Crime Severity Index for the Town. Inspector Miller explained that some recent major crime incidents (property and violent crime) affected the recent result.

Re: Town of Lakeshore's Submission regarding OPP Detachment Boards

**27. Letter from Town of Lakeshore to Town of Tecumseh dated January 30, 2020**

The board discussed Items K 26-27, and it was noted that the Town of Lakeshore Police Services Board's recommendation, endorsed by Lakeshore Town Council, on two detachment boards was received after the completion of the report on the Joint Meeting on OPP Detachment Boards held on December 18, 2019 (Item I-1). No formal objection to the recommendations contained therein was raised by the delegates from Lakeshore during that meeting, or in any subsequent communication to the Tecumseh board. The Mayor emphasized the importance of working together as a region during the transition to OPP Detachment Boards.

**Motion: PSB - 11/20**

**Whereas** a consensus was reached at the joint meeting of Mayors, Police Services Board Chairs, and Chief Administrative Officers of the Towns of Essex, Kingsville, Lakeshore, Leamington and Tecumseh held on December 18, 2019 in Essex, ON, on the recommendations to the

CAO Margaret Misk-Evans reported that the development of the Community Safety and Well-Being Plan has been initiated, and that she is a member of the Regional Systems Working Table. ## **M. New Business**

### **1. Annual Performance Review for OPP Inspector**

The Chair will coordinate the 2019 Annual Performance Review of the OPP Detachment Commander, with administrative support provided by the Recording Secretary.

### **2. Town of Tecumseh 2019 Citizen Satisfaction Survey**

The board discussed the results of the 2019 Citizen Satisfaction Survey, in particular the data related to Policing. Mayor McNamara observed that, while a high percentage of citizens believe the community is safe, the 10% drop in satisfaction with Policing since the 2017 survey is significant. Vice Chair Paul Sweet recommended that in the next survey more focused questions be included to clarify some of the issues. Inspector Miller spoke about the Satisfaction Survey conducted regularly by the OPP and the opportunity for a portion of the survey to focus specifically on Tecumseh (by request).

Chair Hales stated that the board should report to Council indicating that this matter was considered and the need for a remediation plan discussed.

Mayor McNamara referenced Council Report PWES-2020-05 "Traffic Analysis - 2019 Radar Speed Surveys", and indicated he believes residents' concerns regarding traffic enforcement are reflected in the survey result.

**Motion: PSB - 12/20**

Moved by Mayor Gary McNamara  
Seconded by Vice-Chair Paul Sweet

**That** the Tecumseh Police Services Board **request** the Essex County OPP Detachment Commander or delegate report to Town Council to address the results of the 2019 Citizen Satisfaction Survey, including remedial actions taken to address the 10% drop in satisfaction with Policing indicated therein.
