Tecumseh Ontario

Dear Town of Tecumseh/Council:

We are writing this letter regarding the Housekeeping zoning meeting on Tuesday Sept. 8 2020.

We would like to inform you that we are not opposed to the land we own being developed for industrial/commercial or residential in the future. We feel that the close proximity to the Oldcastle Industrial Park north of us, the close proximity to Hwy # 3 and the new bridge crossing would make it ideal for future industrial/commercial expansion that is very much needed to expand the existing successful industrial base in Oldcastle.

We are also not against the land being developed in the future for residential but feel that this specific land would be best suited for Industrial/Commercial being the area is in a very busy high traffic area with major road arteries and existing industrial commercial near by.

Sincerely,
Andy Colasanti
