Dear Mr. Aubie,

I would like to express my thanks for taking the time to meet with me and members of our Administration to discuss the Civic Addressing project for the Town of Tecumseh.

Further to our conversation on July 24, 2020 we have decided to move forward with this initiative for our residents.

It is preferred that the areas of Oldcastle and Maidstone remain unchanged and keep their municipal identifier. The Town can provide mapping to identify all properties in these sections of the Town.

Once again, thank you for meeting with us and we look forward to working with you on this venture.

Regards,

Gary McNamara  
Mayor
