From: Brian Hillman, Director Planning & Building Services

Date to Council: November 24, 2020

Report Number: PBS-2020-39

Subject: 2020 Nine Month Permit Report

Recommendations

It is recommended:

1. **That** Planning and Building Services Report No. PBS-2020-39, "2020 Nine Month Permit Report," **be received.**

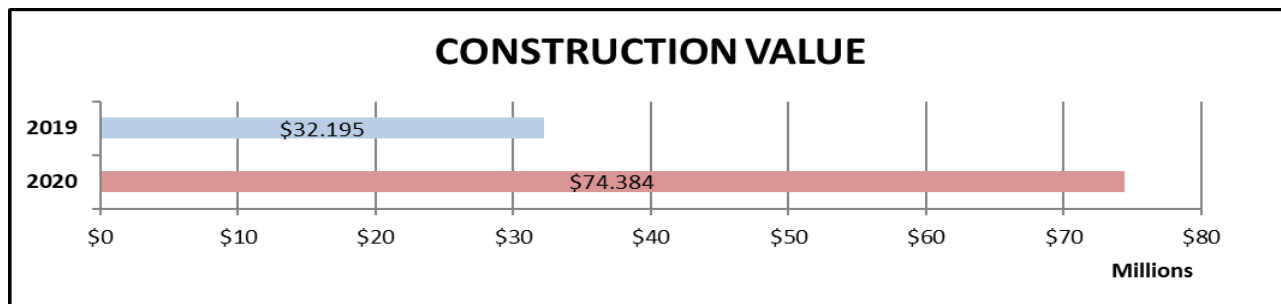

Background

This Report summarizes the permits issued for the first nine months of 2020 (January-September) and compares the values of the same period of the previous year.

Comments

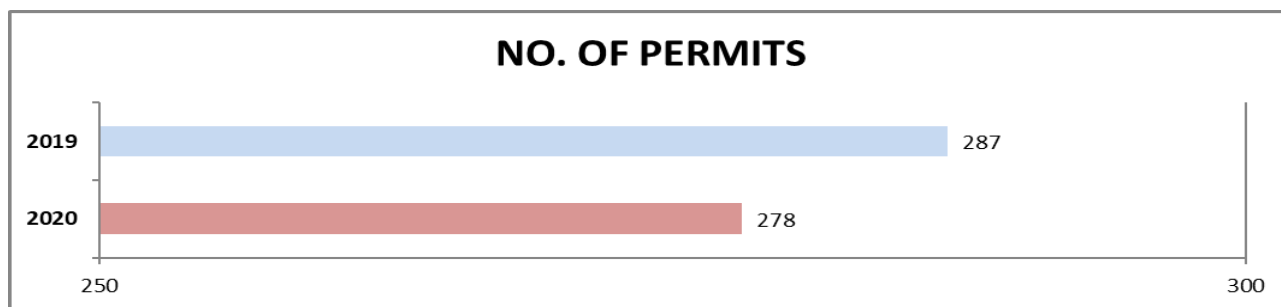

1. Construction Value:

The following chart summarizes the reported construction value of permits for the period. Construction value was reported at \$74,384,305, which is up by \$42,189,315 or 131 percent over last year. This is due in part to the construction of three new multi-unit residential buildings that have a combined construction value of \$52,500,000.

2. Number of Permits:

The following chart summarizes the total number of permits issued for the period. A total of 278 permits were issued, which is a decrease of 9 permits or 3 percent relative to the previous year.

3. Permit Types:

The following chart summarizes the number of permits issued by type for the period. A total of 10 new single dwelling unit permits were issued. There were also 3 multi-unit residential permits issued, which creates 197 multi-residential units. For the same period last year there were 18 new single dwelling units and 2 multi-residential units. A total of 29 backwater valve permits were issued for the period in addition to a range of other permits noted in the chart.
