---

Hi Pam

Please add this letter to the Nov 10 PCM as a Communication on the Agenda.

Thank you,

Laura

**Subject:** Support for 13375 Desro Rezoning

Hello,

I am sending this email to voice my support for the rezoning of 13375 Desro for office space. It will bring more quality business to the area, make it more appealing for others to invest nearby, and be a large improvement over leaving an empty building there to go to waste.

Best Regards,  
Aaron Monminie
