Tecumseh, ON N8N 3Z7

Dear Ms. Rice & Mr. Palmer:

On behalf of the City of Windsor and County of Essex, I want to thank you for your ongoing hard work, delivering important social investment programming during this difficult time.

Over the years, P2P programming has impacted many residents' lives across Windsor-Essex County, and this year has been no different. 2020 has truly been unprecedented, as COVID-19 disrupted our way of life, posing significant challenges across the country and our Windsor-Essex community at large.

Important services and programs designed to help support the most vulnerable in our community continue to be impacted by the pandemic. Programs and services were forced to pause while resources were redeployed to address immediate needs. It became apparent a Request for Proposals for Pathway to Potential funding would not be released this year. For this reason, we will extend your agreement for one more year until December 31, 2021. Subject to approval by County Council as part of the 2021 budget deliberations, your social investment program, *Children & Adult Recreation Programs*, will be allocated \$40,000.00.

It is anticipated that the pandemic will continue to impact the way P2P funded programs are delivered. It may be necessary to update existing reporting requirements based on your program's new realities. We are reviewing your program's P2P reporting requirements and will contact you to determine if any changes will be needed to reflect adaptations made due to COVID-19.

We hope you and your staff continue to stay safe, and we look forward to continuing to support your work next year.

Sincerely,

STEPHEN LYNN | MANAGER (A), SOCIAL POLICY & PLANNING

400 City Hall Square East | Suite 301
Windsor, ON | N9A6L7
