Subject: Extend The Trail

Dear Mayor and Town Council,

We are in favour of extending the trail from Lesperance Rd. to Manning Rd. It would be so nice to have this extension from the Ganatchio Trail right through to Manning, without having to cross Riverside Drive.

The trail is so nice and used by so many, from Manning Rd. to Brighton Rd., and further, for walking and bike riding. A nice, smooth, safe, pathway for all residents of Tecumseh to use and enjoy.

We say "Please, extend the trail".

Thank You,

Cindy Deslippe and Family

Note: I would like to have this letter included in the agenda for tonight's meeting.

Thank You
