Subject: Extend the trail

This is what my letter read: To the Mayor of Tecumseh and Town of Tecumseh Council,

I would like to request that this letter be included on the agenda for the Town of Tecumseh council meeting tomorrow, April 8, 2021.

I support extending the Ganatchio Trail from Lesperance Road to Manning Road.

This extension of the Ganatchio Trail is necessary for all Town of Tecumseh residents to enjoy a safe and beautiful addition to our outdoor living space!

Thank you,.....Ken Peltier
