Information Regarding Your Water Service Line

The exterior water service or well line that runs underground on your property and any damage to it is your responsibility. A breakdown to this line from normal wear and tear is not typically covered by basic homeowners insurance. With this *optional* coverage, you will be protected against the cost and inconvenience of exterior water service line breakdowns, including:

- Multiple service calls annually up to your service call benefit amount
- 24-hour repair hotline
- Priority repair status
- Repairs performed by local, licensed and insured contractors
- · One-year guarantee on all covered repairs
