Re: Rent increase for lower level

Good afternoon Denise,

As you are aware, your lease for the BIA lower level unit is expiring in August, 2021.

We would be pleased to renew your lease for another 2 year term at an increased rate of \$1300 per month inclusive of HST.

Please discuss this with the board members and let us know your intentions as soon as possible.

We will require a new signed lease along with post dated cheques.

It has been our pleasure to rent to your organization and we hope to continue our association with you.

Many thanks.

Sandra & Robert Zanet
