---

### Recommendations

It is recommended:

**That** Beach Grove Golf and Country Club, located at 14134 Riverside Drive, **be granted** an exemption from the Town's Noise By-law No. 2002-07, as amended, on Friday, September 10, 2021, to permit music entertainment until 11:30 pm;

**And that** this exemption from the Town's Noise By-law is **be conditional** on the event being held in accordance with all of the Ontario Roadmap to Reopening regulations.

**And that** the area residents **be informed** by Beach Grove Golf and Country Club of this exemption from the Noise By-law, and Administration communicate the exemption to the OPP;

**And further that** concerns and/or complaints respecting the emission of sound, resulting from the entertainment, are to **be monitored**;

**And furthermore over that** consideration **be given** to authorizing the Director Corporate Services & Clerk to grant exemptions to the Noise By-law until no later than 11:30 pm.

### Background

Beach Grove Golf and Country Club (Beach Grove) has requested an exemption from the Town's Emission of Sounds By-law No. 2002-07, as amended (Noise By-law). The exemption has been requested to permit outdoor music entertainment overlooking the water on Friday, September 10, 2021, from 7:00 pm to 11:30 pm.

## Comments

The Noise By-law prohibits the emission of sound resulting from:

“The sound from or created by any radio, phonograph, tape player, television, public address system, sound equipment, loud speaker, or any musical or sound producing instrument of whatever kind when the same is played or operated in such a manner or with such volume as to disturb the peace, quiet, comfort or repose of any individual in any office, dwelling house, apartment, hotel, hospital, or any other type of residence,”

at all times in all residential, agricultural and commercial areas (Table 4-1, Part 4).

Paragraph 6 of the Noise By-law allows for persons to make application to Council for an exemption from the By-law’s provisions with respect to any source of sound, or vibration, for which they may be prosecuted. Council may, by resolution, grant the exemption, together with any additional terms or conditions deemed appropriate.

Council, at their July 27, 2021 Regular Meeting, provided authorization to the Director Corporate Services & Clerk to grant exemptions to the Noise By-law no later than 11:00 pm.

Beach Grove is seeking an exemption to permit music entertainment during a special event being planned for its outside area overlooking Lake St. Clair. The exemption requested is until 11:30 pm.

Council has approved requests from Beach Grove for summer music entertainment in prior years.

The OPP and the Town have received complaints from area residents **after 11:30 pm**, resulting from outdoor music events held at Beach Grove in prior years.

It is recommended that an exemption to the Noise By-law, once again, be granted to Beach Grove to permit music entertainment until 11:30 pm and that the area residents be informed by Beach Grove of this exemption from the Noise By-law.

Complaints or concerns from area residents regarding this Noise By-law exemption will be monitored and, in particular, any concerns which may be raised **after 11:30 pm**.
