To Whom This May Concern

Tecumseh Pickleball Association (TPA) is a federal Not for Profit Corporation with a volunteer board of directors and currently have over 270 members from the Windsor/Essex County area. Our mission is to facilitate the growth of Pickleball in Tecumseh for the enjoyment, health and social engagement of all players by offering organized, recreational and competitive play for all skill levels. Our vision is to be nationally recognized as a welcoming club with extensive programs for social and competitive play for all age groups and levels. While we already have many activities for our members, we still have a lot to accomplish.

Pickleball is the fastest growing sport in North America, with over 4 million players worldwide. TPA presently organizes four outdoor courts and two indoor courts. We are very excited to be working in cooperation with the Town of Tecumseh, to build 10 new outdoor Pickleball Courts at Lacasse Park. The Town of Tecumseh has asked us to fundraise \$150,000.00 towards this project. To date we have secured a primary naming right sponsor "The Stephanie & Berry Zekelman Foundation" and member donations for a total of \$113,500 towards our goal!

In order to achieve our commitment we are having our "1st Annual Fundraising TPA Christmas Party" for our members. To encourage community involvement, we are asking them to bring an unwrapped toy for our Tecumseh Firefighters Annual Local Goodfellows Toy Drive.

We respectfully request that you consider helping our fundraising in one of the following ways:

1. Provide a gift card or donation for our Prize Table.
2. Provide a food donation to serve our members.

Thank you for your consideration in this matter. If you have any questions or require additional information, please do not hesitate to contact us.

Thank you in advance for your generosity and support.
