- History of Real Estate
- Community Engagement "Tell us your Tecumseh Story"

Tecumseh's 100th Anniversary Celebration

The Town of Tecumseh is hosting a 100th Anniversary celebration coming up in July of 2022. This event will be celebrating the Town's first elected Council as well as the first appointed Fire Chief, which ignited the creation of our Town's Fire Services.

Over the course of 3 days, July 2nd-July 4th, there will be various events occurring across the three communities that make up the Town of Tecumseh today. With an inclusive and collaborative approach in mind, a Mayor's Taskforce was appointed to assist in the planning of this celebration. These events have been planned to encompass the rich history and beautiful features of our Town, allowing for education, engagement and fun for family and friends.

The Town's 100th Anniversary Celebration requires the support of donations and sponsorship in order to bring many of the events to fruition. We invite you to consider contributing to this significant milestone by sponsoring elements of this community event.

The Town of Tecumseh is looking for individuals and community partners who believe in the value of an event like this for our community. Please refer to various sponsorship level options available that reflect benefits for your organization while helping to make this event a resounding success - one that will be talked about for the next 100 years to come!

We are asking sponsors to confirm their choice of sponsorship package by February 28th, 2022.

For additional information please contact Kerri Rice in our recreation department. Kerri may be reached at (519) 735-4756 ext. 421 or by email krice@tecumseh.ca.

Yours Truly,

Mayor Gary McNamara
