From: Paul Anthony, Director Community & Recreation Services

Date to Council: April 26, 2022

Report Number: CRS-2022-06

Subject: Pathway to Potential Funding Agreement 2022

Recommendations

It is recommended:

That Report No. CRS-2022-06 Pathway to Potential Agreement 2022 **be received**;

And that The Corporation of the Town of Tecumseh **enter** into an Agreement with The Corporation of the City of Windsor for the Pathway to Potential Program for budget year 2022, at no cost to the Town;

And further that By-Law 2022-030 authorizing the Mayor and the Clerk to execute a Service Agreement between The Corporation of the Town of Tecumseh and The Corporation of the City of Windsor for the Pathway to Potential Program (2022) **be adopted**.

Background

Since 2013, the Tecumseh Community & Recreation Services Department has been administering funding programs to assist low-income families with access to recreation programs. The original program titled the National Child Benefit Reinvestment Program has evolved over the years into the Pathway to Potential (P2P) program that is administered through the City of Windsor Human & Health Services Department and is funded by both the City of Windsor and the County of Essex.

The P2P program was designed to align with the Ontario government's Poverty Reduction Strategy and involved a comprehensive, multi-year agenda to reduce poverty, mobilize the community to promote awareness, and engage the development and implementation of strategies to reduce the poverty rates in Windsor and Essex County.

Each year, the Town of Tecumseh enters into a Service Agreement for the P2P program and the City of Windsor transfers monthly payments to the Town. The Community & Recreation Services Department administers the funding and quarterly reconciliation reports are submitted to the City.

In 2019, the year prior to the pandemic, the Tecumseh Community & Recreation Services Department assisted 167 individuals with the P2P funding program that allowed them to participate in 166 programs such as skating, soccer, art, hockey, swimming, dance, Girl Guides, gymnastics, karate, Life After Fifty, Zumba, and day camp. Due to COVID -19 and its effect on operations and specifically programming, the number of individuals assisted decreased significantly in 2020 and 2021.

Comments

On March 4, 2022, Administration received confirmation via email from the Manager of Social Policy & Planning for the City of Windsor that the 2022 P2P funding amount for the Town of Tecumseh is \$50,000. Following this, Tecumseh Community & Recreation Services Department has been administering the P2P program in accordance with this service arrangement. Monthly cash flow has been received from the City and Tecumseh Community & Recreation Services Department has submitted the required reconciliation reports.

In early April, Administration received the 2022 Service Agreement from the Corporation of the City of Windsor for the Pathway to Potential program (Attachment 1).

According to the Service Agreement:

The Town of Tecumseh will offer children, youth, adults and seniors living in low income the opportunity to participate in any program offered through the Parks and Recreation Department at 10 percent of the program cost.

The Town of Tecumseh will establish partnerships with various Community Organizations that will also offer children, youth, adults and seniors living in low income the opportunity to participate in recreational and sports activities offered through the Community Organizations at 10 percent of the program cost.

Programs have the option to budget for "universal activities" in conjunction with efforts to promote and include children and youth from low income families in those activities. For example, a free swim and free skate can be sponsored using P2P dollars. For these events, acknowledgement of P2P must be provided where applicable (e.g. posters, notices).

Financial Implications

The Town of Tecumseh will be receiving \$50,000 in funding for the 2022 Pathway to Potential program.

\$10,000 of the annual funding is allocated towards universal activities, such as free recreational programming and events.

\$5,000 of the annual funding is allocated towards administrative fees that support the administration of the funding program.

\$35,000, of the annual funding is allocated towards providing direct assistance for registration fees in recreational programs, both internal programs offered through the Community & Recreation Services Department and external programs offered through sports and cultural organizations such as Tecumseh Recreational Soccer, Tecumseh Skating and Rose City Gymnastics.

Over time, the Town has utilized all of its allocation annually and anticipates doing so again in 2022.
