Subject: Rail Safety Week 2022 | Proclamation request

Dear Ms. Misk-Evans:

Every year, more than 2,100 North Americans are killed or seriously injured because of unsafe behaviour around tracks and trains. Every one of these incidents and deaths are preventable. By looking out for each other and working together, we can help keep our communities safe and prevent injuries and fatalities on or near railway property.

Safety is a core value at CN and we continue to take all necessary steps to protect our employees, communities, customers, vendors and partners with the objective of reducing rail related injuries and fatalities to zero. As we safely serve our customers and keep the economy moving, we remain committed in our efforts to educate the public on rail safety.

Rail Safety Week will be held in Canada, the United States, and Mexico from September 19-25, 2022. Once again this year, efforts to get the rail safety message out will be stronger than ever and represent a unique opportunity to work together with you, *Operation Lifesaver*, local authorities, CN Police Service officers and all CN employees to help prevent accidents and injuries at rail crossings in your community, and ensure everyone's safety on and around railroad infrastructure year-round.

Rail Safety is a shared responsibility

As leaders in your community, your council can continue to play a key role in preventing incidents and saving lives by adopting the attached draft proclamation, as you have done in previous years. Please send a copy of your proclamation by e-mail to Marie-Pier.Triganne@cn.ca and let us know about your plans to promote rail safety in your community.

If you have any questions or concerns about rail safety in your community, please contact our Public Inquiry Line at 1-888-888-5909. For additional information about Rail Safety Week 2022, please consult cn.ca/railsafety or operationlifesaver.ca.
