

The Corporation of the Town of Tecumseh

Financial Services

To: Mayor and Members of Council

From: Tom Kitsos, Director Financial Services & Chief Financial Officer

Date to Council: July 12, 2022

Report Number: FS-2022-06

Subject: 2023 Business Plan and Budget Timetable

Recommendations

It is recommended:

That the proposed 2023 Business Plan and Budget Timetable, as follows, **be approved:**

Public engagement	September 12 – 30, 2022
Table proposed business plan and budget	December 13, 2022
Council deliberations	TBD January, 2023
Council consideration and adoption	January 24, 2023

Background

The purpose of this report is to approve the 2023 Business Plan and Budget Timetable.

Included within this timetable is a strategy to encourage public awareness and engagement in the budget process. Through advertisement on the Town's website and social media, residents will be encouraged to participate in our eighth annual Budget Survey. The survey will be available on our website from September 12 – September

30. Alternatively, residents can obtain a printed version upon request during that same timeframe.

A summary of survey results will be posted on the website by October 6, allowing for an opportunity to consider suggestions and/or concerns in the budget development process.

Comments

Generally, Council and Administration set a timetable that can achieve an adopted budget in December. During election years, Council and Administration set a timetable that can achieve an adopted budget in January/February.

With 2022 being an election year, the timetable proposed for the 2023 operating, lifecycle and reserve budget is:

Public engagement	September 12 – 30, 2022
Table proposed business plan and budget	December 13, 2022
Council deliberations	TBD January, 2023
Council consideration and adoption	January 24, 2023

The main advantages of adopting the annual budget early are:

- Departments may proceed with budgeted service delivery and work plan management as early in the year as possible, and
- Allows for earlier variance analysis and thus provides more time to adjust in-year to adverse circumstances which may arise.

Some disadvantages of adopting the annual budget early are:

- County and School Board levies will not be known, and
- ERCA and EWSWA budgets will not be known.

Administration recommends Council approve the proposed Business Plan and Budget Timetable seeking adoption in January. Adoption in January allows Council and Administration to confidently commence service/program delivery early in 2023 and maximize utilization of the budget calendar.
