

Beautification Report:

- Members consist of Linda Proctor, Paul Bistany & Jules Champoux.
- Tasks for Committee Members to brainstorm/complete:
- Mural Projects moves forward with DERKZ
 - We are waiting to hear back from DERKZ to get a new mock-up for the Kona Sushi building and a brand new mock-up for the Roma & Associates building. A phone call we made and voicemail was left.
 - Had a meeting with John Roma from Roma & Associates. All parties involved in the Roma & Associates mural have chosen to stay away from any Indigenous artwork in the event it offends anybody, which is the obviously the opposite of the vision of our end goal.
 - Both parties from Roma & Associates and Kona Sushi will be working with DERKZ to come up with a creative mock-up to incorporate what they would like portrayed within the murals going up on their buildings. From there, they will present the mock-ups to the Tecumseh BIA Board of Management for approval after hearing about the details of what we require to be within the murals.
 - Will be keeping all parties involved in-the-loop about the process of these murals and involved in the creative process, so everyone can come to a respective compromise about what is going up and the timeline of it all.
 - After viewing the walls and hearing feedback from the owners of the buildings, it may be best to do the Tecumseh Proud mural on Roma & Associates and the interactive mural on Kona Sushi.
 - Have not received any suggestions from the Board about the murals to date.
- Working on coming up with some more beautification projects for our area after the mural projects are complete.
- Next on the committees plans for future discussion:
 - Tasks for Committee Members to brainstorm/complete:
 - Nothing at this time.
