

Membership Report:

- Members consist of Jules Champoux, Brian Houston, Leo Demarce, Sandra Zanet, Eddy Hammoud & Travis Dorner.
 - Tasks for Committee Members to brainstorm/complete:
- Compile a sheet of businesses and their phone numbers to divide amongst the Committee to call and talk about our Associate Membership program. Committee can also get together one day and canvas on-foot around the Amy Croft area, and East Windsor area to spread the word about the Tecumseh BIA and how those businesses outside of our boundaries can benefit from joining us. This initiative can also be done via phone call. So far, National Bank and Rizzo have expressed their interest in our Associate Membership program to our Coordinator.
- Approach new businesses in our area to greet them and inform them about who we are, what we do, and the benefits we have to offer them. Also inform them of our Tecumseh Dollars program and ask if they would like to join.
- Hand-out window decals for Tecumseh Dollars Members- Coordinator has started this process.
- Associate Membership renewal fees for our current Associate Members have been sent out for 2023 and are currently awaiting payment.
