To Affected Property Owners, Road Authorities, and Utility Owners

Re: Repair and Improvement of Gouin Drain and Branches (Little River Outlet)

In accordance with Section 42 of the *Drainage Act*, you, as the owner of land affected by the proposed drainage works for the Gouin Drain and Branches, are invited to attend a public council meeting to consider the final report (Engineer's Report) dated January 20, 2023, filed with the Town of Tecumseh by Mark Hernandez, P.Eng. of Dillon Consulting Ltd. A copy of the Engineer's Report, which includes the plans, profiles, assessment schedules, and meeting minutes is available **upon request**.

The meeting will take place as follows:

Date: Tuesday, February 14, 2023

Time: 5:30 pm – 6:00 pm

Place: Electronic Meeting. Public Meetings are being held virtually with electronic participation only and live streamed on the Town's website for viewing. **There is no in-person meeting.**

The purpose of the meeting to consider is:

- To have the Engineer present a summary of the Engineer's Report to Council.
- To consider the technical merits of the Engineer's Report.
- For Council to decide whether to: proceed with the project by provisionally adopting the Engineer's Report by By-law or to refer the report back to the Engineer for modification.
- To give affected landowners an opportunity to provide questions, comments, or concerns before Council regarding the technical aspects of the report.

If you wish to appear before Council, contact the Clerk, Robert Auger, at rauger@tecumseh.ca or submit an online delegation request form available on the Town's website; <https://www.tecumseh.ca/en/town-hall/appearing-before-council.aspx> by **12:00pm (noon) on Monday, February 13**. **By registering as a delegate, persons are consenting their image, voice and comments being recorded and available for public viewing on the Town's website.**

If you are unable to attend the meeting, it will proceed in your absence. Even if you choose not to participate, you will continue to receive notification as required by the *Drainage Act*. Additional information regarding the *Drainage Act* process is located on the Ontario Ministry of Agriculture, Food and Rural Affairs (OMAFRA) website at <http://www.omafra.gov.on.ca>.
