**Re: Summary of PWES- 2023-05 - Report to Consider Engineer's Report  
Gouin Drain & Branches February 14, 2023, Public Council Meeting 5:00pm**

On November 14, 2017, Council appointed Dillon Consulting Ltd. under section 78 of the Drainage Act to;

- (I) Make and examination of the drainage area as submitted by the landowner (Roll No. 570-43110) in the "Notice of Request for Drain Improvement" dated September 15, 2017.
- (II) To prepare a Drainage Report for the Gouin Drain and Branches, in accordance with Section 78 of the Drainage Act, including provisions for future maintenance of the Drain.

On January 20, 2023, Dillon Consulting Ltd. submitted a report titled the "Gouin Drain & Branches" (Report); a copy of which is attached to PWES-2023-05.

The Report provides detailed information of the existing conditions of the drain based on the Engineer's examination as well as recommendations for the repair and improvement of the drain. In general, the report provides for the cleanout of accumulated silt and debris, replacement of existing bridges and enclosures and future replacement specifications for remaining bridges and enclosures.

The Report also includes cost estimates for the recommended works and a schedule of assessment for affected properties. In addition, details of previous meetings that have been held for this project under the Drainage Act process are included in the Report.

**If you have any questions or would like to request an AODA version of the Dillon Consulting Ltd. drainage report for the repair and improvement of the "Gouin Drain & Branches" (dated January 20, 2023), please contact Dana Reid at (519) 735-2184 ext. 168 or [dreid@tecumseh.ca](mailto:dreid@tecumseh.ca).**
