---

### Recommendations

**That** Report LCS-2023-02 entitled Court of Revision Appointment - 4<sup>th</sup> Concession Drain **be received**;

**And that** Council **appoint** one of its members to the Town of LaSalle Court of Revision (scheduled to convene and sit on March 23, 2023 at 4 p.m. in LaSalle Council Chambers) to hear any appeals on the assessment from the Drainage Report in relation to improvements for the 4<sup>th</sup> Concession Drain, as prepared by RC Spencer Associates Inc. dated August 5, 2022.

### Executive Summary

The Town of LaSalle, as the initiating municipality (in respect of a drain affecting two or more municipalities) has scheduled a Court of Revision to convene on March 23, 2023 at 4 p.m. in LaSalle Council Chambers respecting any appeals on the assessment from the Drainage Report in relation to improvements for the 4<sup>th</sup> Concession Drain. Pursuant to the Drainage Act, the Town of Tecumseh (as an affected or involved municipality in respect of the 4<sup>th</sup> Concession Drain) shall also appoint one person to sit as a member of this Court of Revision.

## Background

The Town of LaSalle procured a report pursuant to section 78(5) of the Drainage Act for the repair and improvement of the 4<sup>th</sup> Concession Drain. Such Report (see Attachment 1) was prepared by RC Spencer Associates Inc. dated August 5, 2022, and was provisionally adopted by the Town of Lasalle pursuant to its By-law 8764 on January 24, 2023 (see Attachment 2). The Town of LaSalle, as the initiating municipality (in respect of a drain affecting two or more municipalities), has now scheduled a Court of Revision to convene on March 23, 2023 at 4 p.m. in LaSalle Council Chambers.

## Comments

The purpose of the Court of Revision is set out in Section 52(1) of the Act, which states that an owner of land assessed for the drainage works may appeal to the Court of Revision on any of the following grounds:

1. any land or road has been assessed an amount that is too high or too low;
2. any land or road that should have been assessed has not been assessed; or
3. due consideration has not been given to the use being made of the land.

Section 97(3) of the Act also states that:

**“Where the lands assessed for the drainage works extend from the initiating municipality into a neighbouring municipality, the court of revision shall consist of two members appointed by the council of the initiating municipality, of whom one shall be chair and one member appointed by the council of each of the neighbouring municipalities and the court shall hear and rule on appeals as if the entire area affected by the drainage works were in one municipality.”**

As the lands assessed for the drainage works extend from LaSalle into the Town of Tecumseh, The Town shall appoint one (1) member to sit on this Court of Revision to hear and rule on any appeals. The members appointed to the Court of Revision are to be persons currently eligible to be elected as a Member of Council or shall be a current Member of Council. Therefore, it is recommended that Town of Tecumseh Council appoint one of its members to so serve and sit on this Court of Revision as scheduled for March 23, 2023.
