

The Corporation of the Town of Tecumseh

Public Works & Engineering Services

To: Mayor and Members of Council

From: Phil Bartnik, Director Public Works & Engineering Services

Date to Council: February 28, 2023

Report Number: PWES-2023-16

Subject: Annual Report and Summary Report for the Year 2022
Town of Tecumseh Water Distribution System (260004969)

Recommendations

It is recommended:

That the 2022 Ministry of the Environment, Conservation and Parks Annual Report and the Summary Report for the Town of Tecumseh Water Distribution System (260004969) for the Year 2022, as prepared in accordance with the Safe Drinking Water Act, O.Reg. 170/03, Section 11 – Annual Reports and Schedule 22 – Summary Reports, **be adopted;**

And that the Annual Report and Summary Report **be made available** for public viewing through the Town of Tecumseh website.

Background

The Ministry of the Environment, Conservation and Parks (MECP) Annual Report and the Summary Report for the Town of Tecumseh Water Distribution System (260004969) provide information pertaining to the Town's drinking water system on an annual basis.

In accordance with Ontario Regulation (O.Reg.) 170/03, the Annual Report and Summary Report are to be provided to:

- Drinking Water System Owners (Mayor and Council)

- Owner and Operating Authority Top Management
- The Public

The **Annual Report** identifies specific details regarding the overall quality of drinking water supplied to consumers and must be made available to the public by February 28th of each year.

The **Summary Report** contains information on the drinking water system's operation and management and provides a summary of the regulatory activity in Tecumseh's water distribution system during the year. The Summary Report is required to contain any regulatory requirements that the drinking water system failed to meet along with a description of the non-compliance event, the immediate actions taken to correct the issue, as well as the control measures put in place to mitigate or prevent future occurrences. The Summary Report must also include a summary of the quantities and flow rates of water supplied for the year, tallying monthly average and maximum daily flows for all municipal drinking water systems. The Summary Report must be completed and made available to the public by March 31st of each year.

Comments

The Water Services Division completed the Annual Report and Summary Report for 2022, each of which are provided as Attachments 1 and 2 respectively and were prepared using the format established by the MECP.

This Administrative report and attachments support Council, as the system owner, in meeting its statutory standard of care under the *Safe Drinking Water Act, 2002* (SDWA). Council's commitment to the provision of safe drinking water ensures financial sustainability, asset management and continual improvement of the Town's water distribution system to proactively manage risks and increase efficiency.

The Town's strict adherence to the regulations under the SDWA and the dedication of its highly trained and qualified Water Services staff provides consumers with reliable, safe drinking water.

We are pleased to announce that there were **zero non-compliance events to report in 2022**.

The Town is legislatively required to provide these reports to the public for review. Accordingly, it is recommended that following Council's adoption of the Annual and Summary Reports for the Tecumseh Distribution System (260004969) for the year 2022, these reports be placed on the Town's website for public access.
