

Notice of Request for Drain Improvement

Drainage Act, R.S.O. 1990, c. D.17, subs. 78(1)

To: The Council of the Corporation of the Town of Tecumseh

Re: South Talbot-Holden Outlet & Branch Drain

(Name of Drain)

In accordance with section 78(1) of the *Drainage Act*, take notice that I/we, as owner(s) of land affected, request that the above mentioned drain be improved.

The work being requested is (check all appropriate boxes):

- Changing the course of the drainage works;
- Making a new outlet for the whole or any part of the drainage works;
- Constructing a tile drain under the bed of the whole or any part of the drainage works;
- Constructing, reconstructing or extending bridges or culverts;
- Constructing, reconstructing or extending embankments, walls, dykes, dams, reservoirs, pumping stations or other protective works in connection with the drainage works;
- Otherwise improving, extending to an outlet or altering the drainage works;
- Covering all or part of the drainage works; and/or
- Consolidating two or more drainage works.

Provide a more specific description of the proposed drain improvement you are requesting:

The County of Essex is currently undertaking the detailed design for the County Road 11 (Walker Road) and South Talbot Road intersection. We anticipate impacts to the South Talbot-Holden Outlet & Branch Drain. As per the attached letter from the Director of Infrastructure Services, we are requesting that a new Section 78 Report be completed that will incorporate the final design of drainage infrastructure within the improved intersection.

Property Owners:

- Your municipal property tax bill will provide the property description and parcel roll number.
- In rural areas, the property description should be in the form of (part) lot and concession and civic address.
- In urban areas, the property description should be in the form of street address and lot and plan number, if available.
