

Dear Denise,

We hope this email finds you well. We are pleased to be hosting the Second Annual Sunshine Music Festival this spring. The women-run festival will be hosted on May 18th-19th, 2023 at Marie-Rose Music Studio (LaSalle) and Sonata Piano Studio (Tecumseh). We would like to invite you to be a sponsor of this event.

This event is the first of its kind in Windsor-Essex County, offering the youngest music students in our area an opportunity to showcase the arts to our greater community. Students that are successful in this competition have the opportunity to be awarded music scholarships and other recognitions.

The Sunshine Music Festival is designed to build confidence and community through friendly competition. We provide an opportunity for very young musicians to perform and receive feedback from a professional elementary adjudicator. We believe that positive performance experiences can enrich a child's music education. By providing this opportunity in the early stages of musical development, we hope to create a lasting love of music performance in every child.

Any support towards our event would be sincerely appreciated. We would be pleased to include you in our Sunshine Music Festival Program as a Sunshine Festival Sponsor. With your support we would also have the opportunity to award more music scholarships to our top competitors to support future music education in our community.

If you are interested, please see the attached sponsorship breakdown.

Thank you so very much for your consideration and we hope to see you at Sunshine Music Festival and future events!

Sincerely,

The Sunshine Music Festival Team

Jordyn Severin and Alyssa Layfield
