

## Windsor-Essex County Health Unit (WECHU)

### BOARD OF HEALTH

#### Resolution Recommendation – October 5 2018

---

#### PROPOSED MOTION

**Whereas**, the federal government has passed the *Cannabis Act, 2017* to legalize non-medical cannabis, coming into effect on October 17<sup>th</sup>, 2018, and

**Whereas**, the Ontario government has amended the provincial *Cannabis Act, 2017* to permit a privatized retail model in Ontario, and

**Whereas**, cannabis smoke contains many of the same carcinogens, toxins, and irritants found in tobacco smoke with the added psychoactive properties of cannabinoids like THC, and

**Whereas**, increased density and clustering of cannabis retailers may result in increased access, consumption, and increased risk for chronic disease, mental illness, and injury, and

**Whereas**, Ontario municipalities will have the one-time opportunity to OPT OUT of cannabis retail outlets in their communities, and

**Now therefore be it resolved that**, the Windsor-Essex County Board of Health encourages all Windsor-Essex municipalities to OPT OUT of the cannabis retail model as proposed by the provincial government in their respective communities.

**FURTHER** that the Windsor-Essex County Board of Health encourages the provincial government to establish limits on the number of retailers in a geographic area to prevent clustering and reduce retail outlet density.

**FURTHER** that, the Windsor-Essex County Board of Health for the Windsor-Essex County Health Unit encourages provincial government to set additional regulations with respect to the proximity of retail outlets in relation to areas which may unfairly target vulnerable populations.

**FURTHER** that, the provincial government provide local public health units with dedicated funding for public education and health promotion activities as well as the enforcement of cannabis-related regulations under the Smoke-free Ontario Act and **FURTHER** that the Windsor-Essex County Board of Health for the Windsor-Essex County Health Unit encourages all Windsor-Essex municipalities to amend existing smoke-free by-laws to include “cannabis” in the definition, and expand spaces where the use of substances is prohibited (e.g., cannabis consumption venues or vape lounges).

**FURTHER** that, previous Resolutions passed by the Windsor-Essex County Board of Health are shared with the newly elected provincial government.

**Further** that the Windsor-Essex Board of health suggests the province providing for the ability of municipalities to create licensing and zoning regulations, which would be reflective of the unique needs of individual communities in addition to increasing the number and distance of buffer zones proposed for retail outlets from vulnerable areas.

**AND FURTHER** that this resolution be shared with the Honorable Prime Minister of Canada, local Members of Parliament, the Premier of Ontario, local Members of Provincial Parliament, Minister of Health and Long-term Care, Federal Minister of Health, the Attorney General, Chief Medical Officer of Health, Association of Local Public Health Agencies, Ontario Boards of Health, Ontario Public Health Association, the Centre for Addiction and Mental Health, and local community partners.
