

## **Notice of Motion – Traffic By-Law 2001-36**

Regular Council Meeting: June 25, 2024

### **Resolution**

**Whereas** By-Law 2001-36 is a by-law to regulate traffic and parking on highways and private roadways under the jurisdiction of the Corporation of the Town of Tecumseh;

**And whereas** By-Law 2001-36 provides for definitions of “Trailer” and “Vehicle” which together have the intent of placing restrictions and/or in some cases a prohibition on street parking for certain types of trailers and/or Vehicles.

**And whereas** the current definitions in the By-law collectively do not sufficiently identify or distinguish between both the various types and various uses of trailers and vehicles and the corresponding restrictions and prohibitions that may be applicable as related to on-street parking.

**And whereas** the parking of certain types of trailers and trailer related vehicles can contribute to obstruction or congestion on the roadway, particularly in residential development areas.

### **Now Therefore Be It Hereby Resolved:**

**That** Administration undertake a review of the current Traffic By-Law 2001-36 to determine if there are recommended by-law amendments pertaining to defining the types and uses of trailers and vehicles that may be subject to restrictions and/or a prohibition on street parking particularly in regards to residential areas.
