### Recommendations

It is recommended:

**That** Report CAO-2024-07, entitled “Strategic Priorities 2023 Report Out”, **be received.**

### Background

At the commencement of each term of Council, the Members of Council and Administration meet to discuss and set corporate strategic priorities for the next term. Council Members give consideration to their vision for the future of Tecumseh and reflect on their mission as leaders and stewards of the Town of Tecumseh and the communities it serves. The resulting strategic plan is undergirded by the values that guide Council and Administration’s decisions on behalf of current and future citizens.

In July 2023, Town Council adopted the Strategic Priorities 2023 – 2026 document and directed Administration to incorporate the strategic priorities into municipal work plans for implementation, with an annual report out on progress.

## Comments

Council's newly adopted Strategic Priorities have been captured in three comprehensive and relevant priorities:

- **Sustainable Growth:** Achieve prosperity and a livable community through sustainable growth.
- **Community Health & Inclusion:** Integrate community health and inclusion into our places and spaces and everything we do.
- **Service Experience:** Enhance the experience of Team Tecumseh and our citizens through responsive and respectful service.

In line with the new strategic priorities and their respective goals and actions, progress, through teamwork and collaboration, was made in all priority areas as captured in [Attachment 1](#).

Administration is pleased to submit the annual report to Council, which will be shared in both print and a web version on the Town's website for public review
