

The following key changes were made to the By-Law:

Change	Section
Additional Clauses from the Municipal Act added to support the By-law.	First Page
Definitions revised to add clarity.	1.1
Reference to Administrative Penalty By-law added	2.3, 3.8
The Term "Sidewalk" was revised to include multi-use pathways, trails.	Throughout
The Term "Landscaping Rock" was added and described.	1.1 l)
Changes to the clear distance from sidewalks, fire hydrants, and other Town infrastructure, that an Owner can add alterations to boulevards. Town infrastructure and plantings are exempt from this clause.	4.1 a), c), and d)
Clarity on what materials the Town will/will not repair when Town work occurs on the Boulevard (ie Town replaces turf grass only; Town does not replace stamped concrete).	4.1 j), and k)
Changes to grass height to be consistent with the property standards by-law	5.2
Additional clause to ensure sidewalk, multi-use pathway or trail material remains continuous across the property. This clause also confirms that the longitudinal grade shall not deviate from the grade of the curb to ensure no drainage issues are created at driveways.	4.1 l)
Additional clause to allow the Town to act immediately at the expense of the Owner if a safety concern is present.	3.5
Additional clause to allow the Town to flush and clean catch basins and sewers in the case of owner-caused dumping on Boulevard.	3.5
