

About

Legend

-  Government funded high-speed internet projects
-  Pending government funded high-speed internet projects
-  Completed government funded projects that provide high-speed internet service
-  Currently available high-speed internet service

About the map

This map shows where high-speed internet access is currently available in communities across Ontario (defined as 50Mbps download and 10Mbps upload speeds, or 50/10) and where the provincial government is funding new high-speed internet projects. You can search by municipality or address to see high-speed internet access near you and click on the government funded projects (in pink, orange and blue) to learn more.

Disclaimer

This web page should be used for reference purposes only. Some of the information on this web page has been provided by external sources, and the data collected may not be complete or accurate. Further, internet providers are continually making investments in their networks. The ministry will periodically make updates when new information becomes available, including modifying project data or adding new government funded projects. If you have any questions about the map, or if you find that your address is not served, please
