To All Concerned,

Re: Resolution of County of Essex Council RE Fresh Water Protection and Agreements

The Council of the County of Essex, Ontario, Canada, at its Wednesday, March 19, 2025 meeting, adopted the following resolution Fresh Water Protection and Agreements:

Whereas the County of Essex is touched by fresh water at both the local municipal and upper tier level; and

Whereby Ontario holds more than half of the world's fresh water; and
Whereas multiple bilateral agreements between Canada and the United States of America have been signed, ensuring that this fresh water is protected for current users and future generations; and

Whereas, the County of Essex is a member municipality of the Great Lakes and St. Lawrence Cities Initiative, a bi-national coalition concerned with the ethical and responsible use, and protection and preservation of fresh water resources; and,

Whereas the current US President, while campaigning stated that 'there is a large faucet' in Canada, indicating that there is 'extra' water in Canada; and

Whereas current bilateral agreements do not appear to be followed by the new US Government Administration in a number of areas.

Moved By Michael Akpata

Seconded By Crystal Meloche

That the County of Essex call upon the Great Lakes and St. Lawrence Cities Initiative to advocate for continued adherence to established agreements regarding fresh water resources and to continued bi-national, state, provincial, and municipal efforts to protect and conserve these resources; and,

That Essex County Council call upon the Federal and Provincial Governments to take any and all necessary steps to ensure that the current agreements that are in place for the protection of fresh water are followed, so that the residents of the County of Essex can continue to maintain access to clean fresh water; and,

That the Federal and Provincial Governments ensure that water outflow is included in any discussions with the United States Government as part of ongoing interactions; and further,

That both Canadian and American federal, provincial, state and municipal governments maintain funding envelopes for the Great Lakes and St. Lawrence Cities Initiative

Carried Unanimously

The County of Essex has distributed this resolution broadly to Ontario municipalities, municipal organizations, and to Federal and Provincial government leaders. The County further appeals to the GLSLCI Board, that this resolution be supported, and disseminated by GLSLCI to its members, and government agencies both in the United States and Canada.
