Subject: Dawson Drain - Notice of Public Information Centre Meeting

Dear Cameron:

Re: Consideration of the Draft Drainage Report
Dawson Drain
E09DA(20)

This office acknowledges receipt of the Notice of Public Information Centre Meeting to scheduled for December 19, 2018 to consider the Draft Engineer's Report for the Dawson Drain. Unfortunately, we are unable to attend this meeting.

This office has received a copy of the Draft Drainage Report prepared by Rood Engineering Inc. Project No. 2017D017 for works to the Dawson Drain. We have reviewed this information and find it acceptable. However, we do note that given the scope and scale of the proposed works, our application for permit fee is \$800.00 and not the \$150.00 outlined in the report.

We look forward to receiving a copy of the Final Drainage Report for our review and approval through the Drainage Act processes. In addition to an approved Final Drainage Report, we will require an ERCA application for permit form and the application for permit fee of \$800.00 for this project to proceed. Please forward this information and/or alternative direction at your convenience.

If further information or clarification is required, please do not hesitate to contact this office.

Yours truly,

Cynthia Casagrande
