Attention: John Henderson, P.Eng.,
Manager, Engineering Services

**Rehabilitation of Bridges #1004, #1013, and #1014
Summary of Tender Results**

Five tenders were received on February 7, 2019, for this project. The tender results are summarized as follows:

Tenderer	Total Tender Price (Excluding applicable taxes)
South Shore Contracting of Essex County Inc.	\$518,915.00
SLR Contracting Group Inc.	\$634,200.00
Front Construction Industries Inc.	\$639,300.00
Facca Incorporated	\$715,300.00
National Structures 2011 Inc.	\$752,705.30 *

*** corrected Total Tender Price amount**

Based on our review of the tender submissions, mathematical errors were made in the tender of National Structures 2011 Inc. Also, the tender of National Structures 2011 Inc., did not utilize the revised Form of Tender, as per the Addendums issued and did not complete Page 1 of the Form of Tender with his Total Tender Price.

In the tender of SLR Contracting Group Inc., a transcribing error was made for Item 23 of the Form of Tender.

The adjusted Total Tender Price as shown above does not change the original standings of the Tenderers.

There were no other irregularities identified in the tenders received for this work.

All Tenderers submitted the required \$50,000.00 Bid Bond which you have retained. All Tenderers acknowledged receipt of the Addendum Nos. 1, 2 and 3.

We have confirmed with Mr. Jeff Malott of South Shore Contracting of Essex County Inc. that South Shore Contracting of Essex County Inc. is prepared to proceed with this project in accordance with the Contract Documents and their tender submission.

Based on their lowest tender submission, we recommend that the tender be awarded to South Shore Contracting of Essex County Inc. for the Total Tender Price of \$518,915.00 (excluding applicable taxes).

Subject to Council's approval of our recommendation, we will prepare the necessary agreements for signing.

Yours sincerely,

DILLON CONSULTING LIMITED
