Fire & Rescue Services

To: Mayor and Members of Council

From: Doug Pitre, Director Fire Services & Fire Chief, C.E.M.C.

Date to Council: April 9, 2019

Report Number: FIRE-2019-03

Subject: Partnership with Wounded Warriors Canada

Recommendations

It is recommended:

That the Fire Chief's report FIRE-2019-03 regarding Tecumseh Fire Services formalizing a partnership with Wounded Warriors of Canada **be received**.

Background

Wounded Warriors Canada is a national mental health charity that funds the development and delivery of innovative programs to assist military members, veterans, emergency service responders and their families.

Comments

Over the last several years Tecumseh Fire Services and our individual members and associations have supported various fundraisers for the Wounded Warriors organization and the work that their members do in support of military and emergency service personnel. In an effort to raise awareness and assist in expanding their services and fundraising profile, they have requested that we, along with other emergency service organizations, sign partnership agreements with them. The partnership agreement does not commit Tecumseh Fire Rescue Services to any mandatory or exclusive requirements. It simply formalizes that we are supportive of their mission and services, entitles us to make use of the mental health programs provided, and in return confirms that we will work with them to identify potential fundraising opportunities to support their programming and services.
