Re: West Nile Virus – Application of Larvicides

The Town of Tecumseh supports local action by the Windsor-Essex County Health Unit to reduce the risk of West Nile virus. As a result, the Town of Tecumseh authorizes any permit application for West Nile virus control submitted to the Ministry of the Environment & Climate Change from an appropriately licensed exterminator to apply a larvicide into the catch basins or surface water:

- Located within and owned by the Town of Tecumseh; and,
- Located on municipal and private land that drain into storm drain systems or waterways located within the Town of Tecumseh.

Sincerely,

Gary McNamara
Mayor, Town of Tecumseh
