Detachment Focus and Priorities

FOCUS

The focus of the next three years for our detachment will be:

- Sexual Violence and Harassment
- Big Four - Distracted Driving, Aggressive Driving, Impaired Driving, and Lack of Safety Restraint use
- Youth At-Risk
- Drug/Substance Abuse
- Human Trafficking

PRIORITIES

The OPP's action planning process ensures compliance with the Adequacy and Effectiveness of Police Services Regulation (Adequacy Standards) filed as O. Reg. 3/99 in 1999.

Through assessment, analysis and consultation, the following priorities were identified under three categories: crime, traffic and other policing. The priorities reflect provincial and regional issues. Subsequent local analysis and consultation will further identify the specific areas of focus for this region. Priorities will be addressed by effective management strategies combining engagement, education and enforcement. Operationalized within the construct of Ontario's Mobilization and Engagement Model of Community Policing the noted strategies coupled with each of our Communities unique initiatives will provide the foundation for sustainable community safety and reduce victimization.

CRIME	TRAFFIC	OTHER POLICING PRIORITIES
**Violent Crime: Robbery and other crimes against persons including Domestic Violence.	Influence driver behaviour to reduce the frequency of collisions leading to personal injuries and death on our roadways, waterways and trails.	<i>Continue collaborating for an enhanced police response to persons experiencing a mental health crisis</i>
Property Crime <ul style="list-style-type: none">○ Break and enter○ Mischief Illicit Drugs (including Opioids) Cyber Crime		<i>Partner to reduce the impact/risk/frequency of false alarms and 911 pocket dials</i>

Notable Investigations

Lakeshore	Officers were dispatched to a commercial B&E in progress after motion sensors were set off and two males could be seen on video. Officers arrived and located a female known to them parked at the entrance of the property. She admitted to driving two males, also known to police, to the property. Officers contained the area, and with help of K9, successfully located both suspects who were charged with Break & Enter and Mischief, while one was additionally charged with Fail to Comply with Probation x3.
	Officers responded to a 911 call reporting that the captain of a large sailboat had gone overboard without a lifejacket and could not be seen. The remaining occupants of the boat did not have any sailing experience. Officers responded immediately and secured personal watercraft to assist both the wayward sailboat and the missing boater. Officers gained control of the sailboat and the captain was located and removed from the water in good condition.
Tecumseh	A 31 year old male US resident was arrested and charges with numerous counts of Theft, Possession and Fraud after reports of a tall, thin white male attending gas/convenience stores and walking off with a large number of expensive scratch lottery tickets and cigarettes. The male redeemed winning tickets at other stores for cash. OPP officers identified the suspect from video evidence from a previous police interaction. This identification additionally assisted Windsor and LaSalle Police Services in closing their cases. In total, this male was believed responsible for at least 25 separate events with all three services.
Kingsville	An officer conducting radar stopped a vehicle for speeding. The officer observed a clear bag of marihuana at the driver's feet. The driver was removed from the vehicle to search for additional amounts accessible to the driver. During this search, a substance believed to be MDMA, was located inside a fanny pack on the backseat. The driver was subsequently arrested for Possession of a Schedule I substance. The driver was additional charged after various pills and suspected cocaine were located in the trunk.
Leamington	A large scale search warrant was executed by members of the O.P.P and York Regional Police for two industrial greenhouses growing marihuana without licence. Approximately 6,000 plants and \$25,000 in cash was seized and linked to other investigations in the province.
	Officers were alerted to a male who attended the hospital after being struck with a machete. Due to fear, the male initially provided vague and incorrect information. After an exhaustive investigation, officers learned that the victim was lured to a residence where he struck with a machete, threatened and robbed of more than \$600. A 30 year old male, known to the victim, was charged with Robbery, Uttering Threats, Forcible Confinement and Fail to Comply with Recognizance x3.
Essex	Officers responded to reports of multiple collisions involving the same vehicle. After two of the vehicles ended up off the roadway, the male driver punched the vehicle of the other driver while yelling and threatening her. Prior to police arrival, the male stole the vehicle of a person who had stopped to assist. A 38 year old male was charged with Uttering Threats, Robbery, Dangerous Operations x3 and Flight from Police after the vehicle he was driving was stopped using spike belts.
	Officers investigated a B&E in which they were provided a licence plate and description of a vehicle leaving the scene. Officers located the suspect vehicle in a neighbouring subdivision and determined the vehicle and different plates to be stolen. The male and female from Windsor were located nearby and arrested/charged with multiple counts of Possession of Property after a search located volumes of ID, documents and bank cards of multiple other people.
	A 40 year old male called police to report a home invasion. Through investigation it was revealed a domestic had occurred between this male and a female. Another male attended the home to assist the female, which resulted in an assault involving a baseball bat and bear mace being discharged. The male caller was subsequently charged with multiple counts of Assault, Assault with a Weapon and Mischief.
